

MIKLAGAARD PIZZA & PASTA

The term heaven is achieved by the combination of Biodynamic, local ingredients and passion, we believe that every detail is important. We use biodynamic Grain from the family owned farm called Mejnerts Mølle.

Just like the vikings we have chosen to use our own Mill for freshly grinding our grain, and that is the base for all our Pasta and Pizzas.

Buon Appetito
Chef de Cuisine
Mimmo Picolino
